Life was but a stopping place,
A pause in what's to be,
A resting place along the road
To sweet eternity.
We all have different journeys,
Different paths along the way,
We all are meant to learn some things
But never meant to stay...
Our destination is a place
Far greater than we know;
For some, the journey's quicker,
For some, the journey's slow.
When Mary's long journey ended,
She left for her reward
To find an everlasting peace,
Together with her Lord.
