## *William Hunter Memorial Fund October 2024*

This fund honours the memory and contribution of William Hunter, a former member of Summerlea, who died suddenly in his first years as a United Church Minister. We collect loose offerings from the Christmas Eve service and special envelopes you will find at the back of the church. These contributions are our only source of funds to support our overseas family. We appreciate all your donations which are tax deductible.

Our annual commitment is \$1584.00, a cost of \$528.00 per person. Noami Abdulai, 23 years old, from Ghana will be graduating November 2024. She is part of the Zagyuri community that is now able to continue great progress with your help since 2004. We will connect with another sponsored child. We also currently sponsor Santiago Ezequiel Duarte Ortiz, 10-year-old boy, and Matias Gadiel Samaniego, 4-year-old boy, both from Remansito program in Paraguay. Thank you for your

generous support which impacts the living conditions of children and their families. Children and communities facing huge challenges can break barriers and thrive.

We are grateful for your continued support.
